

ISO 9001 Certified

Our employees are our most valuable asset! We take pride on promoting within and providing a safe, healthy, and positive environment!

Clinton Aluminum is the Midwest's #1 supplier of aluminum and stainless-steel plate products. With facilities in Ohio, Wisconsin, Pennsylvania, and Michigan, we can quickly fulfill orders and ship our products anywhere in the world, meeting your strict delivery deadlines.

Clinton Aluminum was the first stocking distributor of specialized aluminum mold plate and now we are the largest distributor of aluminum mold plate in North America. We have millions of pounds of aluminum plate, bar, rod, sheet, and structural shapes at our multiple processing facilities. Multiple plate saws in each facility help us process customer orders quickly and accurately, and the Clinton logistics team delivers daily to make sure your critical lead times can be met.
