Career Tech Students and Parents,

Greetings everyone! As we approach the start of the 2022-23 school year I want to send a few updates and reminders about the Career Tech Education programs offered through the Four Cities Compact.

The first day of school for all Compact programs is August 18. Students are expected to report the first day to their program school. All Compact buses will be running to all four schools on Aug 18. The bus schedule and calendar are included in this mailing and posted on our website.

Also, a reminder the Four Cities Compact office (330-335-1479) is staffed by four people:

Administrative Assistant:	Mrs. Laura Kerstetter	330-335-1479
Job Placement Counselor:	Mr. Ryan Whited	330-335-1384
Career Pathways Counselor:	Mrs. Jodie McInnes	330-335-9412
Compact Director:	Mr. Roger Wright	330-335-1309

All of us would be happy to answer any general questions you may have about programs or Compact operations. Questions regarding issues specific to a program may be directed to program instructors, who may be contacted via email listed on the school website.

Other helpful info for quick reference - school **Attendance Numbers** and **Compact Counselors**:

Some other items to be aware of are:

- Students attending two high schools fall under the adopted Codes of Conduct for each building and must follow district safety protocols for both districts.
- Students may drive to their Compact program only with permission. They must complete the transportation request form (attached) and return it to their program teacher. Driving privileges may be revoked for rule violations, including tardiness.
- Some programs have special fees and costs associated with needed materials, uniforms, and supplies. Financial assistance is available to those who qualify. Inquire by contacting Mr. Wright at rwright@fourcitiescompact.org.
- Beyond our **website** (www.fourcitiescompact.org) we also use **Facebook** (Four Cities Compact page) and **Remind** (instructions can be found on our website) to relay timely information about the Compact to parents and students-please check for updates as we move through the year.

We look forward to the coming year and encourage you at any point to reach out to us if you have any questions. Thank you.
